Report on Placement Drive at Vikramajit Singh Sanatan Dharma College

A placement drive was successfully organized by Vikramajit Singh Sanatan Dharma College in association with IndusInd Nippon Life Insurance on 24 March 2026 at CLT-2, Department of Chemistry.

The drive was conducted exclusively for female students, aiming to provide them with promising career opportunities in the insurance and financial services sector. The event witnessed enthusiastic participation from students across various disciplines.

Mr. Gaurav Arora, Senior HR Manager, represented the organization and played a key role in the recruitment process. He began the session with an interactive discussion, guiding students about industry expectations, career growth, and essential professional skills. His interaction helped students gain practical insights and boosted their confidence before the interview process.

The Honourable Principal, Prof. Neeru Tandon, congratulated the shortlisted students and appreciated their performance. She also encouraged them to continue striving for excellence in their professional journeys.

The placement drive concluded on a positive note, reflecting the institution's commitment to empowering students and facilitating career opportunities through strong industry collaboration.

The following students got selected:

1	Bhavna
2	Vaishnavi Singh
3	Lovee Yadav
4	Padmalaxmi Singh
