Student Satisfaction Survey (SSS- Session 2021-22)

A Survey was conducted among the students of college regarding their teaching, learning, sports, library, Infrastructure and hostel facilities. More than 250 students gave their valuable feedback. The data received on different aspects from this survey is represented by the pie charts. The analysis of received data suggests the following:

More than eighty percent students were agreed that online admission process is easy and very good. Fifty percent student agreed that 90 to 100 percent and thirty four percent agreed that 75 to 90 percent syllabus was covered in the class. Near about ninety percent of the students agreed that teachers take classes regularly in both online/offline modes despite of the challenging time of Covid. More than ninety percent of students agreed that internal assessment process of the college is good. Eighty five percent of students rated that the teacher- student relationship is very positive both at the college and in the departments.

More than eighty percent students agreed that the quality of reference books available in central/departmental library is good. Ninety four percent of the students agreed that the teachers help them in getting relevant reference/ text books/ reading material.

Eighty percent of students expressed satisfaction with sports facilities of the college. Nearly seventy five percent of students participated in any of the extracurricular activities of the Department/College.

Seventy percent of the students agreed that the class room and furniture available are adequate, clean and well maintained. Seventy five percent of students rated that the health care facilities are more than average and good. More than eighty five percent of students rated that the drinking water facilities provided by the college is good. Sixty eight percent students agreed that the washroom facilities in the college premises are clean, sufficient and ventilated.

More than ninety percent of students rated that college Administrative Office is very helpful.

According to survey ninety two percent students agreed that they feel superior when they meet other students of similar programme of different colleges.
