**MENTOR-MENTEE REPORT**  
**Academic Session: 2025-2026 /March**

The agenda of the meet was to ensure that all mentees have set their targets and are aware of the significance of BCA (FYUP) and Target settings for 2 sem., 4th semester. Also inquire about the progress/performance and has effectively implemented the Mentor-Mentee system with the primary objective of providing professional grooming, academic guidance, and holistic development to aspiring technical students.

Each mentor was assigned a group of mentees to ensure personalized attention and innovative ideas. Regular meetings were conducted to monitor academic performance, attendance records, and understanding of core subjects. Special focus was given to case study analysis, leadership development, and enhancing corporate communication and technical skills.

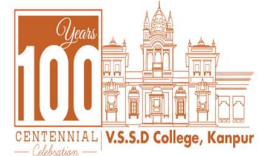

Mentors Advise on the importance of maintaining regular attendance for lectures and practical. The mentees had to be informed that there will be technical events like "Hackathon each session will be allowed to appear. Mentors also addressed personal and psychological concerns, fostering a supportive environment conducive to growth. Students were encouraged to participate in technical fest "INNOVATEX", and co-curricular activities such as Training programs, Software development, and SDLC. The mentors were asked to write a report based on their meet with the mentees and were requested to submit the report and feedback to HOD.

Overall, the response was better, It has been observed that most of the mentee attend the meeting and should be encouraged to attend the further meets.
